

Promoting responsibility and good sportsmanship in the breeding, training and exhibition of Dutch Shepherd Dogs in the USA under the breed standard established and approved by the United Kennel Club in 1995.

MARCH 2014 UPDATE

**An open letter to the Members of the
Dutch Shepherd Dog Club of America:**

On behalf of our club's board of directors, I am extremely honored to announce the United Kennel Club has appointed the DUTCH SHEPHERD DOG CLUB OF AMERICA as the **Provisional National Breed Club for the Dutch Shepherd** (MI-612 CON NA).

The DSDCA was originally approved as a Single Breed Provisional Conformation club on May 25, 2012 and became a fully licensed Conformation Club on March 7, 2014.

The Dutch Shepherd Dog Club of America's stated purpose is to promote responsibility and good sportsmanship in the breeding, training and exhibition of Dutch Shepherd Dogs in the USA under the breed standard established and approved by the United Kennel Club in 1995. We wish to uphold and protect the integrity of the **working Dutch Shepherd** through education using the established medium of UKC Licensed Conformation Shows, and now with this new designation, we will also be able to host a yearly National Specialty showcasing

the multifaceted Dutch Shepherd with expanded conformation classes, breed seminars and performance events.

With the advent of others working towards recognition and registry of the Dutch Shepherd breed by the American Kennel Club, we strongly feel the breed must be preserved in its current functional form, and believe the United Kennel Club outlook of **promoting dogs that look AND perform equally well** is the best path to follow in preserving this working dog's mind, body and heart.

Respectfully yours,

Cheryl Carlson
President
Dutch Shepherd Dog Club of America
