(The UKC is a bit behind in posting show results, so the titles earned as listed above and All-Star Rankings listed below only reflect show results through March 22, 2015. In addition, the UKC is not yet posting Nosework titles earned, so titles were tabulated using the best of other sources available. If you have earned additional titles with your Dutch Shepherd during the first quarter of 2015 that are NOT listed, please [email](#) that information so our records can be updated.)

Dutch Shepherd Dog Club of America REGISTER of MERIT Program (ROM)

The Dutch Shepherd Dog Club of America Register of Merit (ROM) program has been established to acknowledge the contribution of outstanding Dutch Shepherd Sires and Dams in proven ability to produce working aptness and versatility in their UKC registered offspring. By recognizing the contributions of notable Sires and Dams, the ROM Program will be a source of information for breeders in their quest to produce **the exceptional dog that looks AND performs equally well**, and for all other interested parties to learn of the top producers influencing UKC registered Dutch Shepherd dogs.

Eligibility is determined by the Historical Top Producers list compiled by the United Kennel Club using all data for Dutch Shepherd progeny whelped on or after January 1, 2002 and for that progeny's titles earned and processed from January 1, 2002 through December 31, 2014.
